

Yelverton Bowmen - Frostbite Postal score sheet

Please fill out with blue or black ink only and submit to the records officer on completion of all qualifying rounds. As with normal competition rules and hand amendments to arrow scores should be verified and countersigned by the Field Captain in red ink.

6 Sighters may be shot, followed by 3 dozen arrows at 30 meters on a 80cm target face.

Scoring - 10 zone scoring (**10-1**). Mark misses with an **M**. Score all tens as tens and all inner tens as X's for tie break.

As this is being used as a DCAS Frostbite Postal League entry the Field Captain must sign the declaration at the bottom of the sheet, and the Records Officer must complete the assessment.
