Warwick Summer Postal League 2024

The DCAS Warwick Summer Postal League will start on **1st May**. It is hoped that as many clubs as possible will take part as it helps to provide competition for archers who do not regularly shoot at tournaments, and it helps us all keep in touch over the summer. Clubs can enter as many teams as they wish, the entry fee is £5.50 for the first team and £4.50 for each additional team, with Junior Teams free.

Please could you return the entry form with your team details as soon as possible. **No later than 30th April. This will mean Team Sheets and Divisions will be issued early in May. Please start shooting from 1st May so that you get the full month to get scores in.**

POSTAL LEAGUE RULES

1) AGB Rules of Shooting will apply.

2) Four Rounds will be available to shoot, catering for all styles of bows, using 5 zone scoring on a 122cm face. Six sighters may be shot prior to shooting the longest distance.

Senior Rounds including Juniors Over 16

Long Warwick [2 Doz @ 80yds, 2 Doz @ 60yds]

Warwick [2 Doz @ 60yds, 2 Doz @ 50yds]

Warwick 50 [2 Doz @ 50yds, 2 Doz @ 40yds]

U16 Junior Round

Warwick 30 [2 Doz @ 30yds, 2 Doz @ 20yds]

3) Teams may be entered for Five Categories as follows: (more than one Team may be entered in any Category). The Teams will consist of the following archers.

Long Warwick Three Compound Archers Only
Three Archers shooting any style but not Compound

Warwick Three Longbow Archers Only

Warwick 50 Three Archers shooting any style but not Compound

Warwick 30 Three Junior Archers U16 only, one of which may be a compound.

4) Each member of the Club Team must be affiliated to DCAS and shall only shoot for one Club, normally the Club shown on his/her AGB Membership Card where this is indicated. However, if a club is entering no team, their members may shoot for another club's Team with their club secretary's permission sent in writing to the League Organiser with the entry form.

5) The league, for each Category, will be divided into divisions of 6 teams where possible. Each team will shoot one match against all the other teams in their division, with one match being shot each month over the summer. **BYES MUST BE SHOT**, as aggregate score will count in the event of a tie.

6) The divisions will be set on the results of last year's scores where available. If results are not available or you are entering a completely new or additional team, please send an estimated score with your entry form.

7) A win or bye will score 3 points, a bye not shot 0 points, a loss 1 point and a tie (where score, hits and golds are the same) 2 points. If a team withdraws during the season its records will be removed, teams that have shot against the withdrawing team will retain their aggregate, and points will be adjusted, if necessary, with the matches counting as byes. No points will be awarded if a match is not shot, or if the result arrives after the last day of the month.

8) A threshold system will not be used; scores will be applied without modification.

9) If a team fails to shoot a match, they must still return their score sheet marked "not shot". They will score no points. If a team intends to withdraw, please inform the League Organiser as soon as possible to avoid unnecessary delay in issuing the results to other clubs.

10) Matches may be shot at any time during the month, BUT they are not to be shot a second time in order to better the score! A nominated Club Official will be required to sign at the bottom of each team score to this effect.

11) Team scores are to be recorded on official club score sheets and scores must be signed by each archer and witnessed by the same official as in Rule 10. All score sheets must be double checked and signed by a Club Official to eliminate mistakes and any alterations must also be signed by that same Official in red, as in normal tournament conditions, any arrow score altered by the archer only will be deducted from the team total. All score sheets should be kept by the Club Official for 6 weeks after the end of the tournament so that if there is dispute the original score sheets can be produced on request. Failure to produce the original score sheets will automatically cause loss of dispute.

12) Completed results sheets must be sent to the League Organiser, these can be e-mailed (preferred) or posted. Under no circumstances whatsoever will results be accepted if they arrive more than a week after the last day of the month for that match period.

13) All archers Senior's and Junior's in each Category may shoot on any day so that a team score can be built up during the month if necessary. The archers with the top three scores will form the A Team, those with next highest scores will form the B team and so on. Mixed, Compound and Longbow teams may shoot on separate days if necessary. However, each team member must shoot on a selected day and not shoot a second time to better the score.

14) Archers are not allowed to shoot for the Long Warwick (80), Warwick (60) and Short Warwick (50) Categories in the same bow style.

15) A Junior may shoot only for a Junior Team. Juniors under 16 years of age on the day of their first match of the season may continue to shoot as Junior's even if they reach the age of 16 during the period of the Summer League.

16) Medals & Certificates will be awarded for the winning teams in each Division, and to the top Lady, Gentleman, Junior Girl and Junior Boy, in Recurve, Barebow, Compound and Longbow. Medals can be provided by request to the League Organiser. Certificates will be posted or emailed to the Club Secretary.

17) The League Organiser will rule in the event of a dispute.
