

Yelverton Bowmen - Compound Head-2-Head

Please fill out with blue or black ink only and submit to the records officer on completion of all qualifying rounds undertaken during a club competition.

All shooting for all compound archers is at 50m using a 6-zone 80cm face, one face for each archer.

For compound archers, the head-to-head round is the Compound Match round. Each match comprises 5 sets of 3 arrows shot in 2 minutes (simultaneous shooting) or at 20 seconds per arrow (alternate shooting) each with a 10 second lead-in time. The match is decided on total arrow scores (maximum 150).

If the scores are tied, there will be a one arrow shoot-off without reference to 10s and X's – closest to centre wins.
